INVOICES BASED ON THE MEMBERSHIP AGREEMENT

Upon entering into the Membership Agreement, CROPEX issues invoices for the "Entrance Fee", "Annual Fee" for a particular market and "Annual Technical Fee" for a particular market, where the first "Annual Fees" and "Annual Technical Fees" are calculated proportionally to the number of months from concluding the Membership Agreement until the end of the current calendar year.

Invoices for the "Annual Fee" and "Annual Technical Fee" for a particular market are issued by the end of January each year for the current calendar year.

Due date is 15 days as of issuing the invoice.

API FEE SCHEDULE

DAY AHEAD MARKET	
One-time Setup Fee	1,000.00 €
Annual Fee per user	1,500.00 €

INTRADAY MARKET	
One-time Setup Fee	1,000.00 €
Annual Fee per user	2,500.00 €

INVOICES BASED ON THE AGREEMENT FOR PROVISION OF API SERVICE

Upon entering into the Agreement for provision of API service, CROPEX issues invoice for „One-time Setup Fee“ and „Annual Fee“, where the first „Annual Fee“ is calculated proportionally to the number of months from concluding the Agreement for provision of API service until the end of the current calendar year.

Invoice for the “Annual Fee” is issued by the end of January each year for the current calendar year.

Due date is 15 days as of issuing the invoice.

READ-ONLY FEE SCHEDULE FOR NON-INTRADAY MARKET MEMBERS

INTRADAY MARKET	
Annual Technical Fee	6,000.00 €

Companies that are not Members of CROPEX Intraday Market can obtain read-only access to Intraday Market by paying the Annual Technical Fee.

For the first year CROPEX issues invoices for the "Annual Technical Fee" calculated proportionally to the number of months from start of the service until the end of the current calendar year.

Invoice for the "Annual Technical Fee" is issued by the end of January each year for the current calendar year.

The due date is 15 days as of issuing the invoice.
