5. AMENDMENTS

Any amendments to this Annex 1 require the approval of CROPEX, not to be unreasonably withheld. CROPEX may require amendments to this Annex 1 if mandated by changes to the Trading Rules.

6. API SERVICE

In case the Member wants to open a User Account for API service for access to the ETS, the Member is obliged to submit a completed Request for API service and to conclude with CROPEX an Agreement for provision of the API service. The data required for opening of User Account for API service to access the ETS are not subject matter of this Annex 1, they are regulated within the Agreement for provision of the API service.

For avoidance of doubt, persons and data stipulated in this Annex relate strictly to Trading and/or Clearing on CROPEX Markets as stipulated in above points 2.-4. of this Annex 1, and do not represent persons authorized for, nor data relating to, use of API service and access to API.
