

SLOVENIAN - CROATIAN MARKET COUPLING TO LAUNCH ON JUNE 19th 2018

15th June 2018 The Slovenian – Croatian Market Coupling Project received final approval of the involved regulatory authorities and is scheduled to launch on June 19th 2018 (for delivery day June 20th 2018).

After receiving the final approval from involved regulatory authorities the launch of the Slovenian - Croatian Market Coupling will take place on June 19th (for delivery day June 20th). From this date onwards, capacity for the Slovenian - Croatian border will be implicitly allocated through the PCR solution for the Day-Ahead markets, making the border a part of the Multi-Regional Coupling (MRC).
